| # | Responses | Date |
|---|---|---|
| 1 | Mini buses run at the weekend to take teenagers and young people to events with trained assistants. Leisure centres with trained SEND staff to provide sport for physical activities. | 7/31/2016 10:59 AM |
| 2 | For the LEA to follow the lead of best practices in other LEAs for SEN young people | 7/25/2016 8:29 PM |
| 3 | proper OT assessment and plan for sensory processing issues; a proper plan for diagnosis of other issues (has not had proper ASD assessment following the correct pathway) | 7/22/2016 4:32 PM |
| 4 | More SEN support staff at school, exams, test be more autistic friendly, eg. no questions like "How do you think she felt?" etc. | 7/22/2016 2:25 PM |
| 5 | IPSEA training for school and LA SEND. Staff Willingness to implement best practice in the LA and schools to meet the aims of the Children andFamilies Act More EHCP co ordinators and better communication on how EHCP process progresses. Stick to timescales and communicate if not happening. System for LA to monitor outcomes on EHCPs and take action when outcomes not being met. Appointment of the IT support position in the LA to monitor provision of IT support and equipment to SEND pupils. System to request and monitor feedback from parents after EHCP PROCESS and results to be published on the local offer site. | 7/15/2016 8:12 AM |
| 6 | The training of more teachers to ensure the understanding of their daily needs and not to belittle or embarrass them in front of their peers. | 7/14/2016 7:27 PM |
| 7 | More widely advertised support and where to get it | 7/14/2016 3:52 PM |
| 8 | More funding for education | 7/14/2016 2:30 PM |
| 9 | Larger disability social work team and having access to them. Intervention services such as CAMHS given at an early age and sustained as and when needed without long waiting lists and strict criteria. Acknowledgement that prevention is better than cure and less costly in the long term. Funding returned for short break services. | 7/13/2016 10:46 PM |
| 10 | schools being trained on ASD signs to look for and then being aware of needs of children with ASD | 7/13/2016 3:19 PM |
