English & Maths

Functional Skills qualifications are suitable for anyone wanting to develop their English and Mathematics skills in order to succeed in all aspects of life, work and other learning.

English and Mathematics qualifications available at:

- Entry Levels 1, 2 and 3
- Level 1
- Level 2

Your qualification is tailored to you and we would assess you to ensure you are working at the right level and with the right support.

These qualifications cover everything from the very basics to more advanced skills.

They are supported by a variety of assessment options depending on the specific qualification taken and are designed to reflect the various needs of learners.
