

**Feedback from Parents and Young People
Spring 2018**

You Said	We Did
Can you find the dates when local cinemas are showing Autism friendly screenings please?	Gladly. Both the Light Cinema in New Brighton and the Odeon in Bromborough have fairly regularly Autism Friendly screenings. We will post the dates and times in the What's New section at the top of the homepage and use Facebook and Twitter to further promote this information.
Can you add details of the HIVE to the website? I'd like to know more about what and when the offer activities for children with needs.	Not a problem, the information has been added. We have visited the HIVE and met with their Inclusion manager. Their 'Hiveability' team are dedicated to ensuring the offer of The Hive is accessible for all young people aged up to 25 with a disability. The team make sure that each and every young person who attends can get involved in the activities they want to, regardless of their abilities. Their Hiveability session is held every Sunday morning from 10am to 2pm. Membership is £5 per year.
Love the videos, can you add more?	Yes, we can. In January we held the SEND Youth Voice Conference and a dance piece performed by the group entitled Glass Ceilings will be added to the website.
Any nearer to getting Easy Read?	Pleasingly we are. Wirral Council has purchased the necessary licences to use the software needed and the Local Offer Communication Officer has received some initial training delivered by Wirral Mencap.
