Do School SENCOs have somewhere they can share info? My school's SENCO is new and looking for any info to help her?	Great question. SENCOs would benefit from networking and sharing good practice. To help with this we asked our web designers to create a closed group – SENCO forum (top of the homepage) and we're delighted that 102 Wirral SENCOs have signed up.
I find the site so much easier to use.	Great to hear!
The holiday club information is a big help – thanks!	We'll keep looking for more and keep you updated. Clubs and organisations are now aware of the Local Offer and are contacting us which is helpful.
Can we have a Parent/Carer section?	Looking to do that. Trialling the SENCO button but hope to address this question soon.
