Summer 2018**

You Said	We Did
<p>Summer holidays are hard work – can you find out what activities are going on please?</p>	<p>We have compiled a list of inclusive activities taking place on the Wirral. We have contacted each of the organisations to check suitability prior to sharing the information/activity. The activities are listed in the What's New section at the top of the homepage. They have also been tweeted and posted on Facebook to inform a wider audience.</p>
<p>I struggle to search things</p>	<p>The search facility does need improving and this is something the web designers are looking at this summer.</p>
<p>The website looks strange on my phone</p>	<p>Again, we are aware and want to sort this frustration. As above the web designers are also tasked with sorting this problem out. Watch this space!</p>
