

To All Young People

We would love you to get involved in our project:

VIRTUAL CONNECTIONS

STARTS

TODAY...

The idea is for you to share your experiences, thoughts and feelings about coping with social isolation because of COVID19.

These can be funny, sad, happy experiences and can be expressed in the form of poetry, creative writing, thoughts to camera, songs and even creating your own short film.

Just be creative!

Your work will then be used to make a film to be screened later this year as part of a recognition of what we have all lived through and will be a piece of social history.

Please like and post your work on the **CREATIVE YOUTH DEVELOPMENT FACE BOOK** page.

Looking forward to seeing your work!
